CLUB COMPETITION POLICIES

- * The Rules of Golf as prescribed by R&A Rules Limited and the USGA govern play. The V&A and W&V official modifications (if any) to these Rules and any Local Rules of the Club shall also apply.
- * The conditions of play, organisation and control of Club competitions are delegated to the Captain and Match Committee whose decisions (in the absence of a formal appeal to the Club Management Committee) shall be binding.
- * Club competitions (other than Finals rounds as listed below) conducted on a Saturday or Sunday have tee-off times in the period 7.30am to 1.30pm. All qualifying rounds are unrestricted as to tee-off times within this period. Finals rounds of Club Championships and Special Events --other than 4BBB and Foursomes--have tee-off times in the period 11.30am to 1.30pm.
- * All competitions shall be commenced by a member of the Match Committee who shall control hit-off times as appropriate.
- * Players in Club competitions shall have precedence.
- * Groups of four have precedence over groups of fewer players.
- * The lowest handicap player in a group shall ensure the observance of Rules and etiquette and be responsible for the pace of play.
- * Conditions of Play shall govern all competitions.
- * Competition Timesheets shall be adhered to. Players booked in shall take precedence and failure to be present within 5 minutes of hit-off time may result in forfeiture of one's place in the field.
- * Every player has an obligation under the Rules to respect the pace of play, and slow play may result in repeat offenders relegated to the rear of the field in future events.
